

**2 Tiers Work Table Rack
WCS-T008**

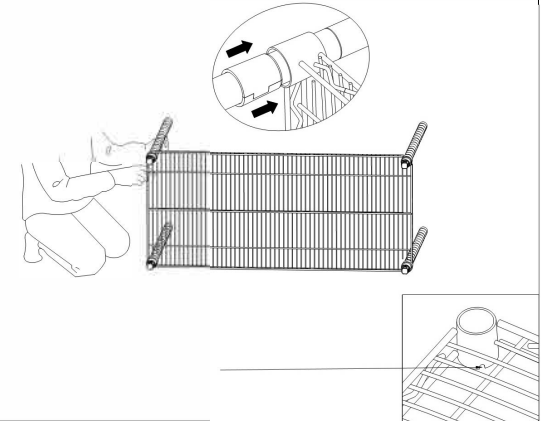

Assembly Steps:

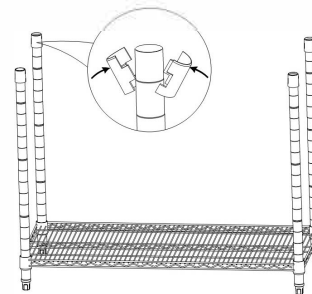

① Snap one pair of Plastic Clips (D) on the same grooves of each Pole with Leveling Feet (C) assembled.

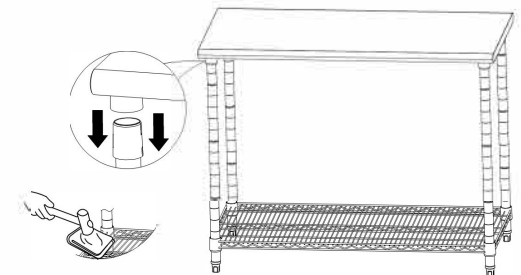

② Hold the Wire Shelf (B) on its side and slide it from the top of each pole down onto the plastic clips until there is snug fit.

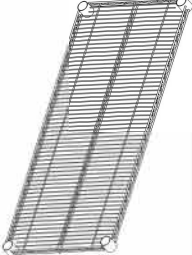

● Set the rack upright. Refer to Step ① to snap one pair of plastic clips on the top of each pole.

● Put the Stainless Steel Plate (A) down onto the top of the rack until all plastic clips are well inserted the four collars welded under the stainless steel plate. Push firmly down on the shelf at its corner by rubber mallet to ensure the shelf in a place over plastic clips.
